Wascana Centre is Regina's green, cultural and recreational heart. The 2,300-acre (nine-square kilometer) park surrounds picturesque Wascana Lake and provides the backdrop for Regina. The Centre is committed to being a place of recreation and beauty for all to enjoy throughout the seasons.

Wascana Centre is home to many of Regina's premier art, nature, historical and political attractions. The Royal Saskatchewan Museum, the Legislative Building, the MacKenzie Art Gallery and the Waterfowl Display Ponds are all located adjacent to the park and are connected by walking and cycling trails.

Events and festivals are held year round in Wascana Centre. A full listing of events can be found on www.wascana.ca.
