

Earth Day Greenhouse Tours - April 22, 2023

This program will comprise a guided tour of the Wascana greenhouses led by our team of horticulturists, lasting for half an hour. This will be immediately followed by a short 15 minute workshop conducted by the Wascana Ecologists on creating seed paper suitable for your backyard.

Admission to this event is free of charge, and each group will be limited to a maximum of 15 individuals to ensure ample opportunity for interaction with our experts.

In the event that you are unable to attend after registering, we kindly request that you inform us promptly to enable us to offer your spot to another interested participant.
